

K-12
Natural Science

Educator Workshop

March 16th & 17th, Buffalo, WY

What:

A **fun, hands-on** workshop featuring the award-winning curricula of **Project Learning Tree (PLT)**, **Project WILD**, and **Project WET**. This is a great opportunity to obtain **training and manuals** for all three of these outstanding educational programs in a single workshop. Each curriculum focuses on a specific resource area: forests (PLT), wildlife (WILD), and water (WET). Each curriculum teaches many disciplines and incorporates **STEM** and civic skills. The inquiry-based curricula meet CCSS for science, social studies and language arts; are cross-curricular, and adaptable for **grades K-12**. Teachers, substitute teachers, non-formal educators, home-schoolers, youth group leaders, and anyone wanting to bring the environment into their classroom is welcome and encouraged to attend. (For background information on the PLT, WILD or WET programs see: www.plt.org, www.projectwild.org, and www.projectwet.org).

When &
Where:

Thurs. & Fri., March 16th & 17th 8:30am - 5:00 pm (1 hr lunch on your own)
Bomber Mountain Civic Center, 63 North Burritt, Buffalo, WY 82834

Cost:

\$70: includes **four curriculum guides**, activity materials, & snacks. The guides are jam-packed with exciting, **ready-to-use** activities, fully indexed and cross-referenced by subject matter, grade level, time requirements, skills, etc. Should you register and be unable to attend, your deposit is fully refundable up to 5 days prior to the workshop. **1 PTSB credit** is included (pending approval).

"I can't wait to use these materials! What a great way to get kids moving and teach science with other subject areas!"

"I will be able to bring the info. into other classrooms in my school as well as the afterschool program. I don't know how it could be better. You guys are awesome!"
